When You Thought I Wasn't Looking

Written by a child, now an adult

(A message every adult should read, because children are watching you and doing as you do, not as you say.)

When you thought I wasn't looking . . . I saw you hang my first painting on the refrigerator, and I immediately wanted to paint another one.

When you thought I wasn't looking . . . I saw you feed a stray cat, and I learned that it was good to be kind to animals.

When you thought I wasn't looking . . . I saw you make my favorite cake for me, and I learned that the little things can be special things in life.

When you thought I wasn't looking . . . I heard you say a prayer, and I knew that there is a God I could always talk to, and I learned to trust Him.

When you thought I wasn't looking . . . I saw you give of your time and money, to help people who had nothing, and I learned that those who have

something should give to those who don't.

When you thought I wasn't looking . . . I saw you take care of our house and everyone in it, and I learned we have to take care of what we are given.

When you thought I wasn't looking . . . I saw how you handled your responsibilities, even when you didn't feel good, and I learned that I would have to be responsible when I grow up.

When you thought I wasn't looking . . . I saw tears come from your eyes, and I learned that sometimes things hurt, but it's all right to cry.

When you thought I wasn't looking . . . I saw that you cared, and I wanted to be everything that I could be.

When you thought I wasn't looking . . . I learned most of life's lessons, that I need to know to be a good and productive person when I grow up.

When you thought I wasn't looking . . . I looked at you and wanted to say, 'Thanks for all the things I saw when you thought I wasn't looking.'

LIFE IS . . .

I ran across this and thought it was a good description of life:

JV

Life is a tragedy - face it.

Life is a duty - perform it.

Life is a game - play it.

Life is a mystery - unfold it.

Life is a song - sing it.

Life is an opportunity - take it.

Life is a journey - complete it.

Life is a promise - fulfill it.

Life is a beauty - praise it.

Life is a struggle - fight it.

Life is a goal - achieve it.

Life is a puzzle - solve it.

Life is a love - LOVE IT!

Lines for Ladies

By Pat McAlister

Who is This Jesus?

In chemistry, He turned water to wine.
In biology, He was born without normal conception.

In physics, He disproved the law of gravity when He ascended into heaven.

In economics, He disproved the law of diminishing return by feeding 5,000 men with two fishes and five loaves of bread.

In medicine, He cured the sick and the blind without administering a single dose of drugs.

In history, He is the beginning and the end.

In government, He said that He shall be called Wonderful Coun-selor, Prince of Peace.

In religion, He said no one comes to the Father except through Him.

So, who is He? *He is Jesus!*

In God I've found everything!

The greatest Man in history, Jesus had no servants, yet they called Him Master.

Had no degree, yet they called Him Teacher.

Had no medicines, yet they called Him Healer.

He had no army, yet kings feared Him.

He won no military battles, yet He conquered the world.

He was buried in a tomb, yet He lives today.

I feel honored to serve such a Leader who loves us!
